PANDAW

WHY PANDAW?

We offer our travellers unique, expeditions off the beaten tourist track.

For over twenty years Pandaw has specialised in exploring the remote and off the beaten track rivers of Asia, places that few, if any, can navigate with our specially designed ships. We offer travellers a truly exclusive, unique experience.

Pandaw adventures are not like any cruise.

Essentially an outdoor experience, travellers can bask round the clock in the unfolding panorama of human and wildlife activity that thrives on the great rivers of Asia. Our spacious promenade and observation decks and guide led excursions have a reputation unequalled in the world of river cruising. All on board enjoy an informal and friendly atmosphere - the "Pandaw Spirit" - for which we are renowned. We also have the highest passenger-to-deck space ratio of any cruise ships afloat, offering plenty of spots to relax and take in the panorama or chat with fellow travellers.

Learning about the culture and history, first hand, both on board and on shore is a key part of a Pandaw journey. Away from the comfort of

the boat, our passengers enjoy walks through the countryside and local villages, speedboat explorations penetrating deeper into the jungle, visits to legendary cultural sites and thrilling cycle rides off the beaten track. Passengers have many opportunities to interact with welcoming local communities, including visits to Pandaw Charity projects along the way.

At Pandaw we have an all-inclusive policy, so travellers can relax in the knowledge that there are no hidden extras, all that is excluded is wine and imported beverages. We are also family friendly, indeed our expeditions are perfectly suited to older kids who gain unforgettable life experience from their interactions in the villages along the way.
