

# Running Circles around groups

Brilliant For You

## Send your Sailors to sea with bonuses for everybody

Bachelor or Bachelorette party? Yoga group getaway? Team building with colleagues? Send your Sailors to sea with their posse. A Circle is a group with a minimum of 10 cabins on the same sailing, up to a max of 150 Sailors (or 75 cabins), that are rewarded with onboard credit (aka "Sailor Loot") for setting sail on a voyage together. After the 10th cabin is booked, you'll qualify for complimentary voyage fare on the 11th cabin (taxes and fees are additional) which applies to a Sea Terrace (not applicable for XL or Central Sea Terraces). Complimentary cabins are created after the final payment date of 120 days prior to sailing.

When First Mates arrange a Circle for their Sailors, the cabins are held for 30 days (Excluding RockStar Quarters and if outside 120 days), but each cabin price is based on the current promotion period and the price is not guaranteed for 30 days.

### Our onboard credit offer for Circles:

RockStar Quarters: **\$200 Sailor Loot**  
Sea Terraces: **\$100 Sailor Loot**  
Insiders & Sea Views: **\$50 Sailor Loot**

### Always Included Luxury

## Plus, Circle Leaders (that'd be you, First Mate) are rewarded for their work in forming a Circle with a choice of a Circles booking bonus:

### Complimentary cabins:

For every 10 fully paid cabins, voyage fare on the 11th is free. The only limit to this is our ship, so if your Circle fully pays for 20 cabins, that's two extra cabins with free voyage fare. 50 cabins? 5 extra. Use the cabins for yourself, for prizes, or to gift others the trip of a lifetime.

### OR

### Commission bonus:

Commission bonus: Score an extra 2% bonus commission on top of the 16% for paid cabins, making your commission a total of 18% on voyage fare. That goes for the entire group of cabins; there is no cap on this bonus commission. And you'll still earn 10% on all pre-voyage sales, like Shore Things and Bar Tab.
